Conferencing Solutions

A fusion of artistry and technology create uncompromising value in Magna's conferencing centerpieces. Magna Design: Sustainable Beauty

Built upon an American-hewn heritage in the Pacific Northwest, Sustainable Beauty is the true essence of Magna Design and reflects our commitment to the fine craftsmanship of modular casegoods and conferencing solutions.

A compelling alternative to traditional veneer casegoods, Sustainable Beauty harnesses the warmth of wood and the superior performance of modern laminate technology to create furniture lines that transcend both classical concerns and contemporary expectations.

Freestanding, easy to modify and specify, Magna Design's comprehensive product solutions meet the demands of the modern workplace - masterfully designed and mindfully made.
