WORKPLACE PURCHASING SOLUTIONS FOR MEMBER PARTNERS

Who we are.

Watson is a thriving Pacific Northwest furniture manufacturer. For more than 50 years, we have designed and built agile workplace solutions for some of the most dynamic and innovative companies in the world. Our designs are simple, user-centric and delivered with a modern environmental sensibility. And we make all of them in our manufacturing facility near Seattle, utilizing advanced machining processes and superior handcraft.

Why Watson?

We believe that everyone deserves to work and live in spaces that enable them to be and do their best. In spaces that are healthy and environmentally conscious. In spaces that make them happy.

At Watson, it's all about the little details and personal touches, from unique design elements and sustainable materials, to the way we source, build and deliver our products.

Expect more from Watson. We don't settle for satisfied. We want to make sure that when you work with us, your experience is memorable and personal.
