

## Haven Laptop Table

The Haven Laptop Table provides a comfortable work surface for any sofa, chair, or bench. The narrow base fits between chair legs while the generous surface has room for a laptop and mouse or coffee. The Haven Laptop Table pairs perfectly with the Recharge Bench.

### Details

Using the iconic Haven leg, the Laptop Table's support column has a flat front face that blends well with any architecture and a rounded back which softens spaces. The ergonomic angle of the support column creates a comfortable space for your legs while keeping the table surface close.

### Features

- Steel base slides easily over flooring to move effortlessly
- Surface options in powdercoated steel or laminate with Haven Edge or Knife Edge
- Oblong surface with ample room for a laptop, mouse, and coffee
