

# C9 Meeting Tables

Without Boundaries.

Fusing function and beauty, C9 Meeting Tables work across the office with a slender profile that fits neatly into the modern aesthetic of today's working spaces. Wherever teams gather, the fixed-height tables can handle seated, counter, and bar height worklife with plenty of power options.

## Details

Featuring a variety of heights, shapes, and depths, the options are practically endless, and with plenty of plugs and ports, so is the power supply. You can even add a monitor to the end of the table, bringing projects and presentations to life.

## Features

- Surface Shapes in Round, Square, and Rectangle
- Table height options at 17", 21", 29.5", 36", 42" (not all shapes)
- Dual-hinge in-surface power option with three choices of power/data configurations
- Length options up to 288" (not all shapes)
