

Bahn Desk

Engineered for awe.

While Bahn Desk's beauty will surely draw you in, its capabilities will truly blow you away. Fully height adjustable, you can sit or stand to your heart's content — and do it automatically thanks to the flush-mounted control switch.

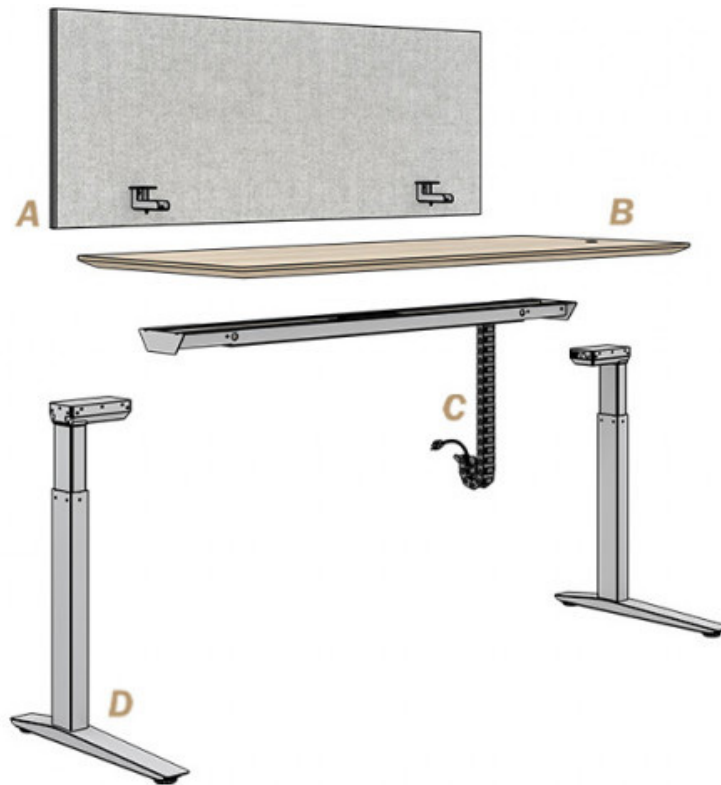

Details

The Bahn desk adjusts from 27" to 46.5" with the touch of a button. Use Bahn's freestanding storage beneath to store filing, books, and bags. After all, there's plenty of room.

Features

- Linak lifting columns power each leg
- Designed to pair with Bahn Rail for power/data distribution
- Add Bahn desk screens for additional privacy and space division

A

- Desk screens in fabric, markerboard, or acrylic

B

- Solid 1-1/8" worksurface
- Flush-mount control switch
- Surface Shapes in Rectangle or 120 degree

C

- Optional E-Chain manages cables from desk to rail system

D

- Powered lifting column in each leg
- Low profile tapered foot
