

Seven Meeting Tables

Gather 'round (or square or hexagon).

Keep the conversation going. From brainstorming sessions to marathon meetings, Seven Meeting Tables create a natural gathering spot anywhere in the office.

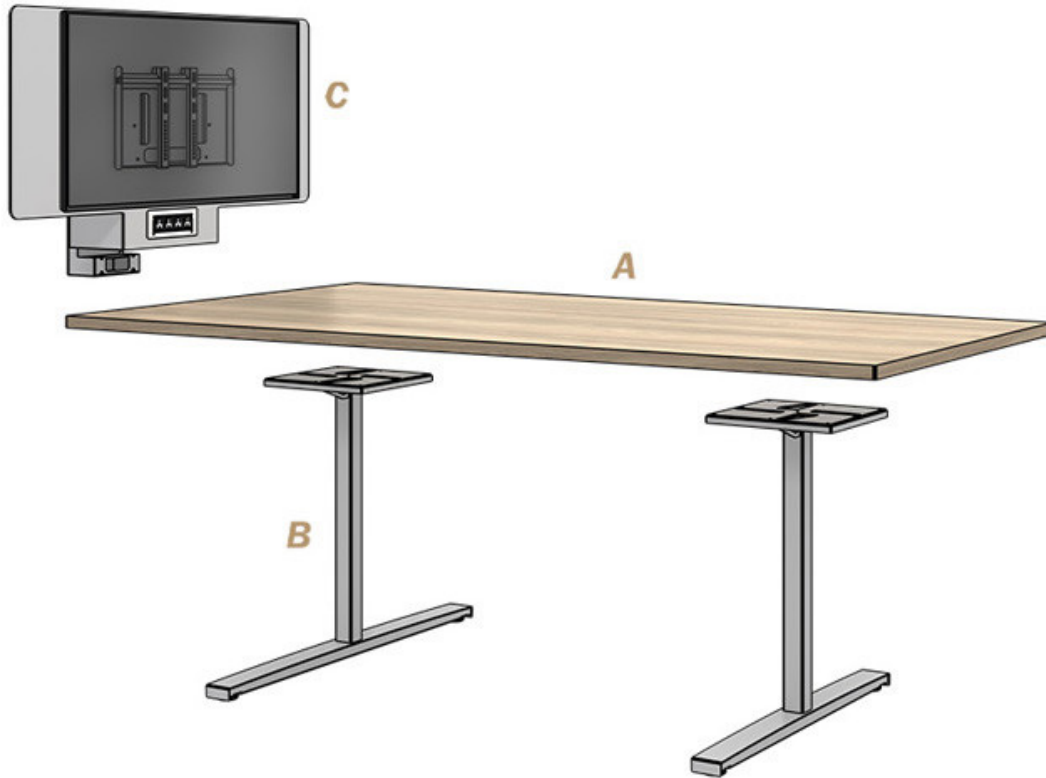

Details

Choose from five shape options and use solo or combined for a bigger meeting space. And thanks to the slim, low profile appearance of the base, there's always plenty of legroom, no matter how many people are in attendance.

Features

- Tables can be combined with shared bases to create large, cost effective meeting tables
- Markerboard surfaces available
- Flexible with designs from casual to formal

A

- Five surface shapes include Rectangle, Hexagon, Trapezoid, Square, and Round
- Rectangle, Hexagon, and Trapezoid tables can be specified with center-mounted drop-in power

B

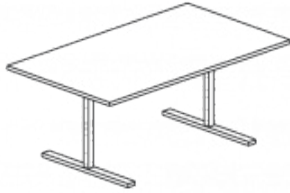

- Rectangle, Trapezoid, and Hexagon table are supported by two fixed steel legs, 6" less than the depth of the table
- Square and Round tables are supported by fixed steel X-base in 29.5" or 42" finished height

C

- Clamp-on MediaFast Systems make tables mount displays
- Built-in cable box keeps cables tidy and secure
