

Miro Desk

A cut above.

The Miro desk demonstrates Watson’s fluency in blending environmentally friendly materials and expertise in steel fabrication with clean, modern design, intricate details and support structures that deliver superior strength and durability.

Details

With its hand-mitered corners and 14-gauge steel base from recycled auto parts, this expertly crafted desk goes above and beyond typical office furniture.

Features

- Formed steel frame supports accessories
- Surface support options with Miro or Zo storage
- Specify with a bridge leg at the narrow end or a Viga configuration to maximize the visibility of the base

A

- Iconic leg design with triangular steel tube mitered at the corners
- Hand-welded steel base

B

- Surface shapes in Rectangle, Wedge, Angle, and Extended Corners
- Solid 1-1/8" worksurface
- Unique hand-stained Miro edge

C

- May be specified with a two-piece silver die cast grommet
