

# Miro Meeting Tables

Meet on your terms.

No two spaces are the same. That's why we created Miro Meeting & Conference tables. With their clean, industrial style, variety of dimensions, and extensive palette of finishes, these compatible-by-design tables carry a modern aesthetic throughout your workspace, from large boardrooms to meeting areas of every shape and size.

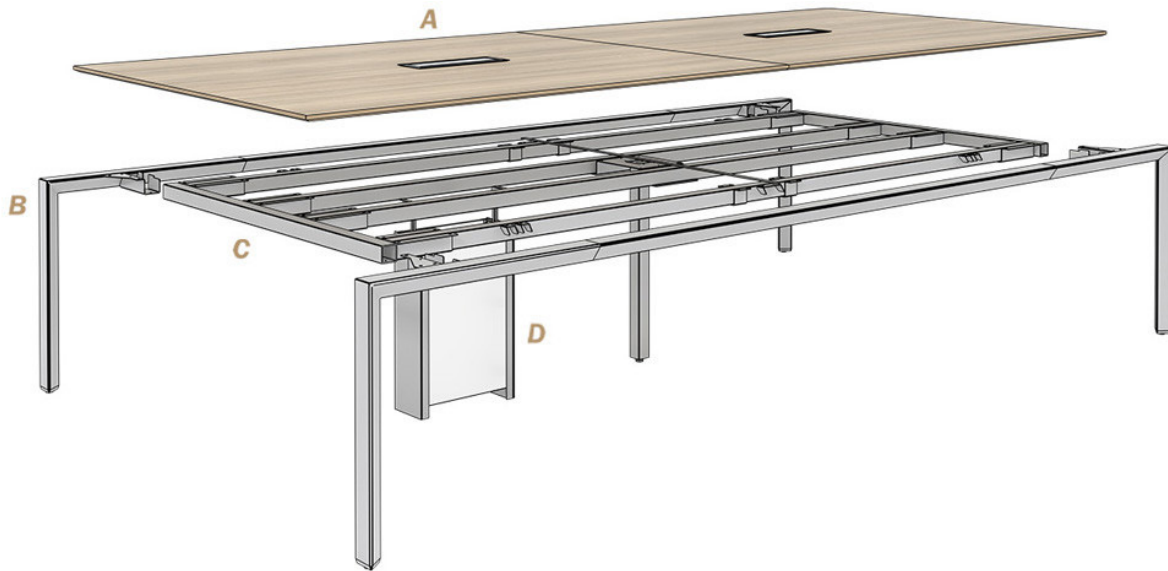

## Details

Miro Meeting and Conference Table worksurfaces are available up to 24-feet long. Easily specify the power and technology needed for effective meetings.

## Features

- Fixed or Mobile
- Square and Rectangular top shapes
- Heights in 17", 29.5", and 42"
- Optional cable tower in frosted acrylic

**A**

- Available in grommet, small, or large power options, with hardwire or plug-in power infeed
- Surface widths from 2' to 24' Dual-sided 30" w storage modules or 15" w end modules in a range of functional storage types

**B**

- Custom profiled CNC edge detail hand-finished with either water-based clear or charcoal stain.
- Corners hand-mitered by in-house welders

**C**

- A robust steel substructure keeps tables of any length sag-free
- Triangular steel tube base made of 14-gauge, cold-rolled steel

**D**

- Optional cable tower may be positioned at any point along the length of the conference table
