

Pin Mobile Screen

Meeting spaces made on the fly.

The Pin Mobile Screen works wonders for privacy in the open plan. Use them separately or together to create a space for spontaneous brainstorming sessions and creative reviews — without disrupting the whole office. The upholstered, tackable surface makes it easy to pin up your work too, even if it's still a work-in-progress.

Details

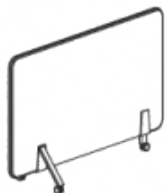

Available in 5 heights, 8 widths, and 17 textile finishes, these durable, modern-looking screens can be used anywhere throughout the office.

Features

- Available in Portrait and Landscape orientations
- Landscape screens use a 3-point base for optimal workstation use
- Non-locking casters
