

Tia Office

Get in the flow.

With an eye for symmetry, balance, and productivity, the Tia Private Office was designed for the next generation of go-getters. Its adaptive platform allows you to seamlessly switch from solo-focused work to a collaborative meeting space or go from sitting to standing with the simple touch of a button.

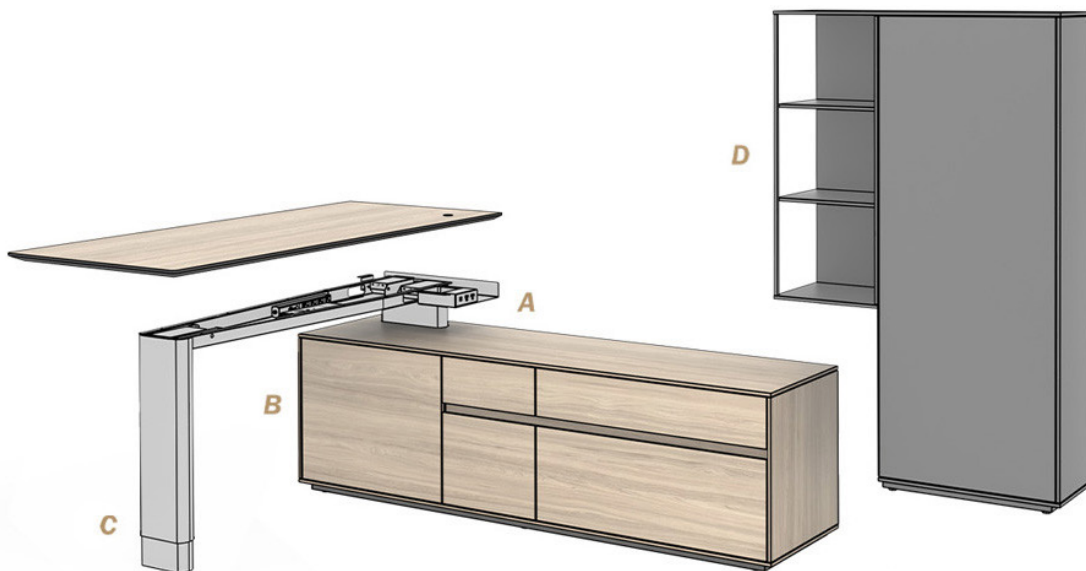

Details

Created with clean lines, sustainable materials, and features like a height-adjustable surface and personal power dock with cord management, moving from one task to the next might be the easiest thing you do all day.
